DATE 2007

1. On 8 February 1949 the property GERM(4), occupied by *1*, *1*, *1* and *1* was entered in the early evening by burglars who stole a gold watch, one bottle of perfume and eight bars of soap valued at \$75.00 from *1*. Later, it was discovered a \$75.00 topcoat had also been stolen from the wardrobe belonging to *1*. The property is protected by a maid and fireman who act as guards in addition to their regular duties.

2. A report of this burglary to Headquarters was withheld pending the results of an investigation conducted by the Special Investigation Section of the 527th M.P. Service Company. (It is customary to notify this section of the U. S. Army of robberies of this nature involving individuals occupying government property.) The report of investigation by the SIS is attached, certified as a true copy by *1*.

3. Prior to her departure for her overseas station, Graves took out an insurance policy with the Edward Walsh & Son Company, on the advice of the OSO Transportation Division. This policy protects her in case of personal loss by theft. At the present time, the policy is in the safety deposit box in her bank in Washington, D. C.

4. It is felt that a claim for the loss to *1*, resulting from this burglary, cannot be taken up directly with the insurance company concerned, because of the security aspects involved. The OSO Transportation Division is known to a representative of the Edward Walsh Company.
